Committee Updates:

☐ **Aluminum Can Drive:** Christina Klusman reported Mrs. Klenner approached her to discuss having a competition to see who could bring in the most aluminum during earth week. FLAG decided we didn't have enough information to determine who would be actually involved in this. Just middle school, all school or only one grade. FLAG determined we will be staying with our two week drive in May around Field Day. Mrs. Klenner can run with a competition if she chooses. Christina will be putting information in the school flyer.

☐ **Box Tops:** Brenda Ohm reported totals as of last pick up are 4K - 312, 5K - 381, 1st - 835, 2nd - 871, 3rd - 1292, 4th - 2234, 5th - 1655. The second submission for reimbursement this year was sent in. We will receive a reimbursement check in April for \$630.60. There will still be 2-3 more collections this year to determine the pizza and ice cream party winners.
