

F.L.A.G. MEETING MINUTES

Tuesday, June 5, 2012

Meeting called to order at 6:35pm by President Traci Biedenbender.
Members reviewed minutes from the May 1, 2012 meeting.

Treasurers Report: Kris Noyes reported our current balance is \$7,013.60.

Old Business:

- **Bilda's Nights:** Traci Biedenbender will collect the \$200 from April's fundraiser.
- **Box Tops:** Pizza and ice cream parties are done. Need to touch base with Brenda Ohm on when the next submission is to cash in our Box tops.
- **SCRIP:** Krisi Harwood reported the last order brought in less than \$20 in profits.
- **Market Day:** Our YTD profit is \$2,449. Friess Lake School started its partnership with Market Day in 1996. In that time, our school has made \$36,384 profit.
- **Teacher Appreciation:** The week was a great success. Thank you to all who contributed. The teachers and staff were very much appreciative. One suggestion was to maybe have dessert day earlier in the week. There were a lot of desserts left over and being on a Friday, they couldn't enjoy the desserts the following days.
- **Garden:** Everything looks to be going well in the garden.
- **Aluminum Can Drive:** Kris Woltmann reported that we should be receiving a check, soon, for around \$40.

New Business:

- **Technology Request:** Krisi Harwood requested FLAG help fund the cost to upgrade the speakers on two classroom smartboards (2nd and 5th grade). The cost would be \$559. Kris Woltmann made a motion for FLAG to fund \$559 to upgrade the smartboard speakers. Jeni Kastner seconded. Motion passed.
- **4K Classroom:** Mr. Engstrom asked if FLAG would be willing, if needed, to help fund items needed for the new 4K classroom. More information to come once the new 4K teacher identifies exactly what she needs.
- **Mac Book Insurance:** Discussions took place on whether or not FLAG would be interested in subsidizing the insurance costs for students Mac Books.
- **IPads:** Mr. Engstrom informed FLAG of the possibility of introducing a new program to purchase IPads for each student in 2 grades. Between the student, school and possibly FLAG the costs of the IPads would be paid. More information to follow.

Future Agenda Items:
