

FLIPP Meeting Minutes

Tuesday, September 02, 2014

Meeting called to order at 7:00pm by President Vicky Lear
Members reviewed minutes from July 16, 2014, meeting.

Treasurer Report:

\$9432.00 balance as of June 30, 2014. The final number is estimated to be \$9200 when audit is complete. This would mean our proposed 2014/15 budget would be short approximately \$1000. However, the mulch originally in the 2014/2015 draft budget was estimated at \$1000. The school will be funding this initiative in full. Therefore, we will remove the mulch line item in the 2014/15 budget, and be on track. Approval for the budget will be finalized in the next meeting post-audit. No disbursements/additions in July & August. The 2014/2015 budget is currently the tightest we have ever had. We currently only have 1 tournament scheduled AMSAC, and 1 3-on-3. At this time we don't have volunteers to run a second 3-on-3 tournament which would bring in an additional \$1500.

Activity Updates:

- Movie Night: Parents provided feedback from last year to volunteer for specific tasks (i.e. gym, concessions, and time frames). 8 parent volunteers are needed for each movie night. SignUp Genius will be set up to sign up for specific tasks.

<u>Dates:</u>	<u>Preferred Volunteers</u>
Oct 3	Teacher volunteers
Nov 7	4k, 5k parent volunteers
Jan 16	1 st & 2 nd Grade parent volunteers
Dec (TBD)	(run by 8 th grade)
Feb 13	3 rd & 4 th grade parent volunteers
Mar 13	5 th & 6 th grade parent volunteers

- Coke Rewards: 11,446 points with upside since, last year.
- SignUp Genius: Karen Isselmann will be the coordinator for SignUp Genius. Proposal is to assign each coach specific games that they need their players' parents to sign up for. Specific concessions tasks will be set up to enable a better understanding for new parents of what is all entailed. There will be a 'seasoned' parent helping in the concessions. There will also be an athletic meeting where concessions training will be available.
- Concessions: Karen Isselmann has agreed to purchase the initial stocking for concessions.
- Middle School Game Night: Proposal to host a game night for the 6th, 7th, & 8th grade event with multiple board games, ipad uses, etc. Timeframe would be from 6pm-9pm. Admission would be \$1-\$2 and there would be raffles. There were suggestions of ordering pizza and having concessions.

Volunteers needed to support this event would be 5 parents from 6th, 7th, or 8th grade. Signup Genius will be utilized to volunteer.

Proposed date is end of September, 2014.

Depending upon attendance, this could become a recurring event. Another suggestion would be to utilize the rollerskates that are used during school gym sessions. This needs to be discussed with Mr. Skasny.

- FLIPP Directory: Form has been completed and will be sent home with each student shortly. The due date for families to return is Sept. 19th and will then be compiled by Kelli Sabel.
- FLIPP Facebook: LeAnn Banwart has agreed to be coordinator for this. Suggestion to link to both teacher Facebook pages and school Facebook pages. Concern was raised regarding adding pictures of students. It must be very general and no name information.
- Bulletin Board: Dani C. will coordinate this and will be updating shortly. There is a room at school that has many supplies that can be utilized for this too.
- Garden: No update
- Labels for Education: No Update
- Open House: There were many new families that stopped by the table. There were also some sales of apparel and Friess Lake accessories. The turn-out was great. The cookies and water totaled approximately \$100.
- Scholarships: LeAnn Banwart has volunteered to be coordinator for this. Thanks to Christina Ellis for her previous years of this. There is already an application form and a scoring mechanism for each essay in place.
- Teacher Appreciation: Kelli Sabel will coordinate this.
- FLIPP Reference Book: Request for Debbie to send out to all 4K students.
- Bilda's Night: Matt Wirth to discuss with Vicky from Bilda's. Ideally to pick out 3-4 nights for this. Isabel Smolik has volunteered to design a flyer for each night.
- FLIPP Email: Pam Stater will be the admin for this. If something needs to be sent out to the Friess Lake Families please send your email to pstater@gmail.com and she will forward to the families via the FLIPP email account.
- Coordinator Directory: Pam Stater will compile and send out to all new coordinators and we will post to the school website, FLIPP facebook, etc.

- Logger's Park: Potential to coordinate with them and possibly even an ice skating event or Friday Fish Fry. Cathy Davies will talk to Terri at Logger's to see about a potential Fish Fry date of Oct. 3rd (teacher run movie night).
